

Congratulations On Your Engagement!

Please take the time to read through this information. We want to ensure that your ceremony proceeds smoothly on your special day. Here are a few bits of information and some reminders to prepare you for your wedding day.

Being On Time Is A Must

It is imperative that you are on time for your ceremony with us. We often schedule weddings after yours and are unable to wait. There is an addition overtime fee of \$50 for weddings starting over 30 minutes lat. Please be considerate and allow extra time for traffic, getting lost, and the unexpected. Make sure that guests attending understand how important it is to be on time. Your cooperation in this matter is greatly appreciated.

(Note: Some ceremony locations are not equipped with restrooms.)

Weather

Please be aware that the weather conditions will vary and are not always predictable. If you are planning an outdoor wedding, be prepared for the unexpected. If possible, have a backup plan during cold weather months.

Rice & Confetti

The throwing of rice and confetti is prohibited at the ceremony locations. Birdseed is a nice alternative at the outdoor sites.

Children In Attendance

We are happy to include children in ceremonies and can offer some suggestions. Please make sure that an adult supervises all children attending the ceremony. Children are curious and some sites have dramatic cliffs. We love children and would hate to see a child get hurt during your special moment.

Ministers

Sherilyn Russo is a non-denominational ordained minister. She has been officiating wedding ceremonies for over 28 years. She is also authorized to issue Confidential marriage licenses in Monterey County.

Scheduling A Wedding

Make sure to schedule a time and date by calling us at 831-375-8574. (Please be sure to cancel if you are not planning on keeping your appointment.)

A photographer may be arranged to take photos at your wedding. Please let us know in advance if you require this service. The fee is \$400. For this very reasonable fee you will receive between 50-100 digital photos sent via web transfer in jpeg format.

Photographs make a nice keepsake and are a perfect gift for family who were unable to attend.

Please note: We do not accept any liability for photos, except to refund money.
